STATINTL

Memorandum For Mr. [redacted]:

October 27, 1976

STATINTL

RE: Request For Additonal Information For S&I Staff From  
Office of Personnel (Mr. [redacted])

The S&I Staff requests that the following information be provided by the Office of Personnel:

STATINTL

(1) A current chart reflecting super-grade allocations within the Directorates of CIA. (Document should indicate that IC super-grade allocations are no longer a part of the CIA allocations.)

(2) Provide specific information relating to OMB action in September 1976 regarding the allocation of an additional [redacted] super-grade positions to the IC Staff.

(3) Provide in chronological order the events that established the super-grade structure for the CIA, beginning with the CIA Act of 1949. Address in detail the Classification ACT of 1949, which granted specific statutory exemption for CIA.

(4) Overall manning within CIA has decreased 21% since 1969, with no corresponding decrease in super-grade levels. (In fact with no decrease whatsoever). Provide justification for such actions--or lack thereof.

✓ (5) In reference to (3) above, insure that data relating to super-grade levels (increases or decreases and their corresponding time frames) be included in OP response.

(6) Provide data for FY74, FY75 and FY76 regarding the CIA's success or failure to meet year-end manning ceilings. What procedures are established to insure compliance with this requirement?

(7) Discuss the composition and duties of the Super-Grade Review Board.

STATINTL

✓ (8) Why has the manning of SPS positions historically been near [redacted] while authorizations have remained at [redacted]

STATINTL

(9) Provide detailed information regarding the role of the Position Management and Classification Staff in reviewing, recommending, or not recommending certain jobs for super-grade status.

(2) Provide specific information relating to OMB action in September 1976 regarding the allocation of an additional  supergrade positions to the IC Staff. 25X9

On 22 July 1976 the Director of Central Intelligence submitted a letter (Tab A) to Mr. James T. Lynn, Director, Office of Management and Budget, confirming his actions relative to restructuring of the Intelligence Community Staff pursuant to Executive Order 11905 to provide support to the Committee on Foreign Intelligence in meeting its responsibilities to the President. Included in this letter, the Director of Central Intelligence confirmed reservation of  CIA supergrade allowances for ICS use. The Director further affirmed that CIA could not provide for  additional supergrade positions identified as required by ICS (i.e., a total of  supergrade requirements). 25X9 25X9 25X9

Subsequent to discussions with OMB on the ICS supergrade position requirements, Mr. James T. Lynn advised the DCI in a letter dated 17 September 1976 (Tab B) that he had approved a total of  supergrade positions for ICS. Copies of the two letters referred to above are attached herewith. 25X9
